THE HYDE PARK BANK AND OUT-OF-STATE LOANS.

"The Hyde Park Bank says it the state.'

So much has been said in regard to the attitude of the Hyde Park

The bank makes this broad ble

That, aside from funds deposited on call in New York and Bos- agents for the United States. ton, this bank has never loaned a take no other. dollar since its organization except on Vermont security or on paper guaranteed by a first-class Vermont name or names. It does It Is the Highest at This Season That not decline to receive out-of-state collateral' if it believes the home name is good.

its idle, or so-called "call money," high at this season of the year as now. with Vermont banks rather than by out-of-state banks; but every marshes around the mouth of the Misbank, so far as we ever knew, keeps a part of its idle money in those reserve cities authorized by section 4659 of the Vermont statutes. But this bank has never made deposits West or South even under this statute, but confined them to cities in New England and New York.

by local applications, as they cannot reach the diseased portion of the ear. There is only one wayto cure deafness, and that is by constitutional remedies. Deafness is caused by an infamed condition of the nuccous ining of the Eustachian Tube. When this tube is inflamed you have a rambling sound or imperfect hearing, and when it is entirely closed. Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the nuccus surfaces. Hyde Park Savings Bank always to keep financially strong, so that it might at any time respond to any call upon it by any Vermont-Parisian Sage er, and it has to-day on hand and on deposit "on call" in Boston and New York and in loans to Vermont banks \$280,273.37.

the mucous surfaces.

We will give Jue Hundred Dollars for any case of Deafness (caused by catarrh, that cannot be cared by Hall's Catarrh Cure. Send for Within the last 90 days this bank has said to practically every savings bank in Vermont: "We prefer to keep our deposits in Vermont, rather than in New York and Boston banks, and if you can use the money of this bank at 4 per cent. we shall be glad to place it with you."

> Senter the inference could be fair- and nature's own radiant color. anotation:

"The Hyde Park Bank says it does not loan outside of Vermont. but it deposits money outside of the state.

turning a button. That is what electricity does for you. We have all kinds The bank has not had a deposit of electrical appliances and supplies that can be needed, at prices that will as-tonish you. Come in and see the many out of the state for many years, if at all, that paid more than 4 1-2 per cent. interest; and the suggesnew novelties which we have, and order tion that it was in this way getyour supplies of us. You will surely ting around or avoiding its idea of making loans outside the state is entirely gratuitous.

The Hyde Park Bank courts investigation by everybody, whether they are interested as depositors or otherwise; and the bank is more than pleased that Mr. Senter has given it an opportunity to bring to the public's notice the fact-for it probably is a fact-

that the Hyde Park Bank carries a larger percentage of its assets 'on call," and where it can put its hand upon them at a moment's notice, than any other bank in the state. In no other way could this bank be so powerful a factor in the financial affairs of the state.

In no other way could it be prepared to respond to all calls, large or small, not only from individuals, but from its neighbor Vermont banks. There are very few banks in Vermont that do not understand that if in need of funds to take care of their customers they can come to the Hyde Park Bank and will probably get the

This may not always be true: but there has not been a day in the last four years when the Hyde Park Bank has not been in condition to respond, and has responded, to every call of this kind from

its neighbor banks. It costs the bank something in loss of interest to do this, for there hasn't been a time for years that it could not send the same money West and get from 6 to 8 per cent. But it is entirely satisfied and content to do business as

ferred. Also one yearling registered day in the last five years, barring Jersey bull, a grandson of Eminent 2d Sundays and holidays, \$900 per that sold for \$10,000 at auction, and his day.

grandson sold for \$750. Price very cheap. The bank returns its thanks to Mr. Senter for giving this opportunity through the columns of The News and Citizen to state its position fully and explicitly.-News and Citizen.
